Reasons for making application

Application

- 1 Lake Eildon Country Club Limited ACN 005 642 937 (the Club) being a company limited by guarantee not having share capital, seeks the orders set out in Annexure A to this Application.

Jurisdiction - Property Law Act 1958 (Vic) (PLA)

- 2 Section 225 of the PLA provides that:

- (1) A co-owner of land or goods may apply to VCAT for an order or orders under Division 2, Part IV of the PLA to be made in respect of that land or those goods.
- (2) An application made under section 225 may request:
 - (a) the sale of the land or goods and the division of the proceeds among the co-owners; or
 - (b) the physical division of the land or goods among the co-owners; or
 - (c) a combination of the matters specified in paragraphs (a) and (b) above.
- (3) A person who makes an application under subsection (1) must give notice of the application to the holder of a security interest over the land or goods to which the application relates.

- 3 For the purposes of section 225, 'land' has the same meaning as it has in the *Interpretation of Legislation Act 1984* (Vic), which '*includes buildings and other structures permanently affixed to land, land covered with water, and any estate, interest, easement, servitude, privilege or right in or over land.*'

- 4 Section 228 of the PLA provides that:

- (1) In any proceeding under this Division 2, Part IV of the PLA, VCAT may make any order it thinks fit to ensure that a just and fair sale or division of land or goods occurs.
- (2) Without limiting VCAT's powers, it may order–
 - (a) the sale of the land or goods and the division of the proceeds among the co-owners; or
 - (b) the physical division of the land or goods among the co-owners; or
 - (c) a combination of the matters specified in paragraphs (a) and (b) above.

- 5 Section 231 of the PLA provides that:

- (1) In any proceeding under Division 1, Part IV of the PLA, if VCAT thinks that the appointment or removal of trustees is necessary or desirable, it may order:
 - (a) the appointment or trustees; or
 - (b) the removal of trustees.
 - (2) In an order appointing trustees for the purposes of the sale of land or goods, VCAT may:
 - (a) direct the trustees as to the terms and conditions on which any sale is to be carried out;
 - (b) direct the distribution of any proceeds of the sale in any manner specified by VCAT.
 - (3) In any order appointing trustees for the purposes of a physical division of land or goods, VCAT may direct the trustees as to the manner in which the division is to be carried out.
- 6 Section 232 of the PLA provides that in any proceeding under Part IV, Division 2 of the PLA (which includes a proceedings in respect of an application made under section 225 of the PLA), VCAT has a broad power to make orders with respect to the matters set out in sections 232(a) to (j), in addition to its powers to make orders under section 228(1).
- 7 Sections 221 to 233 (inclusive) of the PLA deal with an application by a co-owner of land to appoint a trustee and sell the land. An extract of sections 221 to 233 (inclusive) of the PLA and the relevant section of the *Interpretation of Legislation Act 1984* (Vic) are set out in Attachment 1.

The Club

- 8 Under section 225(1) of the PLA, a co-owner of land or goods may apply to VCAT for an order or orders under Division 2, Part IV of the PLA to be made in respect of that land or those goods.
- 9 Under section 222 of the PLA, a 'co-owner' means a person who has an interest in land or goods with one or more other persons as joint tenants or tenants in common.
- 10 The Club holds 120 titles in the Land. A list showing the Club's ownership of these 120 titles is set out in the 'Updated Applicant Titles List' (see Attachment 4 referred to at paragraph 23), referred to in paragraph 23 below. The circumstances of the co-owners' interests in the Land is explained from paragraph 12 further below.
- 11 On 15 July 2023, at an Extraordinary General Meeting (July EGM) the Club's members passed resolutions which included approving the Club to act as applicant for this application. The circumstances of the July EGM are explained further below at paragraphs 41 to 44.

The Land and registered co-owners

- 12 Clause 2.1 of the Club's Constitution provides that the object of the Club for which the Club was established was to provide a means whereby the members of the Club can equitably share in the use and occupation of the land comprised in Parent Title Volume 9075 Folio 447 (Parent Title), together with the resort facilities erected and otherwise provided on it on a timeshare basis and otherwise regulate the members affairs inter se for their common benefit.
- 13 The Club's legal representatives, McCullough Robertson Lawyers (McR), engaged Dye & Durham (D&D) to investigate information about the ownership of the Parent Title. On 27 July 2023, D&D

notified McR that the Parent Title was cancelled, and subsequently, McR made enquiries with D&D with respect to what titles comprise the Land.

- 14 On 31 August 2023, D&D provided to McR, at the Club's request, an Excel Spreadsheet containing the following ownership information held by the Department of Transport and Planning with respect to the titles comprising the area of 50 Banumum Road, Mansfield, Victoria 3722 (D&D Titles List). A copy of the D&D Titles List is set out in Attachment 2.
- 15 The D&D Titles List shows that:
 - (a) 50 Banumum Road, Mansfield, Victoria 3722 comprises 1,273 titles, all of which have a 'Parent Title' being Volume 09075 Folio 447 and are subject to a 'Land in Plan of Consolidation 103630';
 - (b) all 1,273 titles represent a 1/5,200 fractional interest (or a derivative thereof) in the Land and where such titles, in some instances, represent more than one (1) 1/5,200 fractional interest; and
 - (c) many of the registered proprietors of the Land reside outside of Victoria, and live elsewhere in Australia or overseas. This is discussed further at paragraph 73(b) and from paragraph 62 below.
- 16 As the D&D Titles List does not show that same ownership information as set out in the Club's records of the ownership of the Land, the Club requested that the Department of Transport provide the Club with a list of titles of CP103630 (DoT Titles List). On 12 January 2024, the Club received a copy of the Titles List from the Department of Transport.
- 17 The Club subsequently reviewed the information contained in the DoT Titles List as against its records of the ownership of the Land and subsequently updated that list to include the information it considered reflect the true ownership of the Land (Applicant Titles List).
- 18 Between 18 June 2024 and 24 July 2024, the Club (via McR) and the Department of Transport and Planning exchanged email correspondence with respect to confirming the ownership of the titles listed in the Applicant Titles List.
- 19 On 24 July 2024, the Department of Transport and Planning confirmed to the Club (via McR) that the Land comprises 1,386 titles which reflect a total of 5,228/5,200 fractional interests. A copy of the Applicant Titles List which reflects this ownership information is set out in Attachment 3.
- 20 The Department of Transport and Planning also confirmed in that email correspondence that title reference 10343/537 (representing 2/5,200 fractional interests in the Land) should be cancelled. Provided title reference 10343/537 is cancelled, the Land will comprise of 1,385 titles.
- 21 Since 24 July 2024, title reference 9579/580 (which appears in the Applicant Titles List) was cancelled and split into two new titles, being 12568/664 and 12568/665, meaning that the Land will (provided title reference 10343/537 is cancelled) comprise of 1,386 titles.
- 22 The circumstances of that cancellation and split are as follows:
 - (a) title reference 9579/580 was held by Peter Edward Haines and Maryanna Johnson in tenants in common, each holding a 4/5,200 fractional interest in the Land;
 - (b) Peter Edward Haines and Timeshare Brokers Pty Ltd entered into an agreement to transfer Peter Edward Haines' 4/5,200 fractional interests in the Land;

- (c) as a result of that transfer, title reference 9579/580 was cancelled and Maryanna Johnson and Timeshare Brokers Pty Ltd were issued title 12547/397 in its place in tenants in common, each holding a 4/5,200 fractional interest; and
 - (d) an application was submitted to split the title and subsequently 12547/397 was cancelled and:
 - (i) 12568/664 was created and issued to Maryanna Johnson, representing a 4/5,200 fractional interest; and
 - (ii) 12568/665 was created and issued to Timeshare Brokers Pty Ltd, representing a 4/5,200 fractional interest.
- 23 The Club has updated the Applicant Titles List to reflect the split of title 12547/397 into two titles (being 12568/664 and 12568/665) and the Club considers this updated list, set out in Attachment 4, reflects the true ownership of the Land (Updated Applicant Titles List). To the best of the Club's knowledge and understanding, the Updated Applicant Titles List:
- (a) assumes that title reference 10343/537 is cancelled;
 - (b) is a true reflection of all 1,386 titles comprising the Land and the persons who own those titles;
 - (c) shows that all 1,386 titles have been created from CP 103630;
 - (d) each 1,386 title represents a 1/5,200 fractional interest in the Land (or a derivative thereof); and
 - (e) all 1,386 titles comprising the area of 50 Banumum Road, Mansfield, Victoria 3722 are consolidated under CP103630 and should be taken to a single 'land' parcel for the purposes of section 225 of the PLA.
- 24 The Club has discovered discrepancies between the members register exhibited at Attachment 8 (see paragraph 35 below) and the Updated Applicant Titles List exhibited at Attachment 4. Specifically:
- (a) provided that title reference 10343/537 is cancelled in accordance with paragraph 24(f), there are 1,386 titles comprising the Land;
 - (b) of the 1,386 titles comprising the Land, 120 are owned by the Club, representing 534/5,200 fractional interests;
 - (c) of the remaining 1,266 titles in the Land, 133 titles are held by title owners who do not hold memberships in the Club. That is, these 133 titles are held by 124 co-owners who are not members of the Club. A list of these non-members and the corresponding title references held by them is set out in Attachment 5A. As some of these co-owners hold more than one title, a list of these non-members removing all duplicate titles held by them is set out in Attachment 5B, which shows that there are 124 co-owners. These 124 co-owners were members of the Club prior to the demolition and redevelopment of the Resort and restructuring of the timeshare entitlements (as explained in paragraph 34) and ceased to be members of the Club (due to unpaid levies which resulted in their memberships being cancelled) but continued to own a title in the Land);
 - (d) the remaining 1,133 titles in the Land are held by members of the Club. Some of the members of the Club hold more than one title in the Land and there are 804 members who hold a fractional interest in the Land. A list of the members and the corresponding

title references held by them is set out in Attachment 6. As some of these co-owners hold more than one title, a list of these non-members removing all duplicate titles held by them is set out in Attachment 6B, which shows that there are 804 members who are co-owners;

- (e) the Updated Applicant Titles List shows that all 1,386 titles reflect 5,228/5,200 fractional interests in the Land, meaning that there are an additional 28/5,200 fractional interests in the Land. The Club has:
 - (i) undertaken a review and investigation of the Club's records to determine the reason for the excess 28/5,200 fractional interests in the Land; and
 - (ii) queried with the Department of Transport and Planning the reason for the excess 28/5,200 fractional interests in the Land;
- (f) those investigations and enquiries have revealed that, due to an administrative error on the endorsement of the title at the time of its transfer, title reference 10343/537 (representing 2/5,200 fractional interests in the Land) is incorrectly recorded as being a 'live' title but should have been cancelled. As such, the Club seeks an order that title reference 10343/537 should be cancelled, meaning that the Land will comprise of 1,386 titles representing 5,226/5,200 fractional interests in the Land and that there are an additional 26/5,200 fractional interests in the Land;
- (g) those investigations and enquiries have otherwise not revealed the reason for the excess 26/5,200 fractional interests in the Land. As such, the Club seeks an order that, provided the order in paragraph 24(f) is granted, for the purpose of distribution of the net proceeds of the Land, that the Club, which holds 532/5,200 fractional interests in the Land, should be taken to hold 506/5,200 fractional interests in the Land so that each other co-owner of the Land receives a share in the net proceeds of any sale of, and income from, the Land in the same shares as each fractional interest it holds in the Land;
- (h) 28 titles (representing 144/5,200 fractional interests in the Land) are held by 19 companies that have been deregistered, namely:
 - (i) Ambar Investments Pty Ltd ACN 006 122 756, which holds 8/5,200 fractional interests in the Land (under title reference 9819/904);
 - (ii) Bar-Ray Holdings Co. Pty Ltd ACN 005 418 477, which holds 24/5,200 fractional interests in the Land (under title references 9872/183, 9872/184, 9872/185, 9872/186, 9872/187 and 9872/188);
 - (iii) By-Way Automotive Services Pty Ltd ACN 005 872 024, which holds 8/5,200 fractional interests in the Land (under title reference 9552/529);
 - (iv) I.W. & J.B. Gray Pty. Ltd (formerly Cedar Measuring Service Proprietary Limited) ACN 005 514 287, which holds 4/5,200 fractional interests in the Land (under title reference 9511/913);
 - (v) Fehmarn Pty Limited ACN 005 705 635, which holds 4/5,200 fractional interests in the Land (under title reference 10386/109);

- (vii) G.F.L Investments Pty. Limited (formerly H.H.K. Industries (Vic) Pty Limited) ACN 005 377 202, which holds 4/5,200 fractional interests in the Land (under title reference 9819/889);
 - (viii) I.J. Crawford & Co Proprietary Limited ACN 004 591 986, which holds 8/5,200 fractional interests in the Land (under title reference 9579/591);
 - (ix) JDCO Investments LLC, which holds 2/5,200 fractional interests in the Land (under title reference 10933/387);
 - (x) Jentu Investments Pty Ltd ACN 006 153 171, which holds 8/5,200 fractional interests in the Land (under title reference 10062/446);
 - (xi) Kallestra Pty Ltd ACN 005 258 266, which holds 8/5,200 fractional interests in the Land (under title reference 9474/361);
 - (xii) Marcus Meadows Pty Ltd ACN 007 366 261, which holds 4/5,200 fractional interests in the Land (under title reference 9474/379);
 - (xiii) One World Leisure (N.Z.) Limited NZ company number 1047110, which holds 18/5,200 fractional interests in the Land (under title references 10653/528, 10777/803, 10896/771, 10974/999 and 10975/003);
 - (xiv) M. & L. Deckert Pty. Ltd. (formerly Plaza Garden Centre Pty Ltd) ACN 005 592 727, which holds 8/5,200 fractional interests in the Land (under title reference 9474/386);
 - (xv) R.H. Martin Pty Ltd ACN 085 049 681, which holds 8/5,200 fractional interests in the Land (under title reference 9658/438);
 - (xvi) Saludo Lisa Nominees Pty Ltd ACN 005 455 809, which holds 4/5,200 fractional interests in the Land (under title reference 9658/408);
 - (xvii) Santed Nominees Pty Ltd ACN 006 305 120, which holds 8/5,200 fractional interests in the Land (under title reference 9658/398);
 - (xviii) Sheridan Grace Pty Ltd ACN 006 303 073, which holds 4/5,200 fractional interests in the Land (under title reference 9819/893); and
 - (xix) Sleepy Head Bedding Pty Ltd ACN 006 381 291, which holds 8/5,200 fractional interests in the Land (under title reference 9579/603).
- (i) Accordingly, there are 19 co-owners who hold an interest in the Land but have been deregistered and whose interests in the proceeds from the sale of the Land vest in the ASIC pursuant to section 601AD(2) of the *Corporations Act 2001* (Cth) (Corporations Act) (Deregistered Owners). As each Deregistered Owner has a legal interest in the Land and is entitled to a distribution of the proceeds of any sale of the Land, the Club intends to seek and order that the proceeds from any sale of the Land in respect of the interests registered to the Deregistered Owners be paid to ASIC, less any amounts owing by the relevant Deregistered Owner to the Club as at the date of distribution.

The timeshare scheme

- 25 The Club was registered as an unlisted public company limited by guarantee on 11 April 1980. It is also a timeshare scheme and was incorporated for the purpose of operating the timeshare

resort known as the Mansfield Country Resort (Resort) located on the Land. A copy of an ASIC Historical Search of the Club dated 12 November 2024 is set out in Attachment 7.

- 26 Each member of the Club is also a tenant in common owner of the Land, with members owning 1,133 of the 1,386 titles comprising the Land. As set out in paragraphs 24(b) and 24(c), of the remaining 257 titles, 120 titles are held by the Club and 133 titles are held by co-owners who are not members of the Club. A member has an entitlement to occupy the Resort for a period of time corresponding to that member's fractional interest in the Land expressed as the number of weeks owned by that member, subject to payment of an annual levy.
- 27 The members' rights and entitlements in respect of the memberships and ownership of the Land are prescribed in the Club's constitution (Club's Constitution). The Club's Constitution was first adopted on 2 April, 1980 and has been amended from time to time and as most recently amended on at the July EGM. A copy of the latest version of the Club's Constitution is set out in Attachment 7.
- 28 Pursuant to clause 5.2 of the Club's Constitution, the Club may accept members in the following two classes:
 - (a) "two (2) bedroom"; and
 - (b) "three (3) bedroom, dual key".
- 29 Pursuant to Schedule 1 of the Club's Constitution, each entitlement shall be deemed a "two (2) bedroom)" entitlement unless otherwise issued by the directors. The Club has not issued any "three (3) bedroom, dual key" entitlements.
- 30 Each category of membership has the same voting rights and the right to participate in a distribution of capital on a winding up of the Club according to the number of memberships in the Club held by them.
- 31 Members are required to pay levies pursuant to clause 8 of the Club's Constitution for the purpose of meeting the Club's actual and/or expected liabilities. These levies take the form of an annual levy (paid in advance on 1 July each year) and a 'special levy' as determined by the directors of the Club in accordance with clause 8.6 of the Club's Constitution.
- 32 As at the date of this application, there are 804 members of the Club. However, many memberships are held jointly by two people or, in a small number of cases, by more than two people. Accordingly, the total number of persons with an interest in the Club far exceeds 804.
- 33 Clause 5.1 of the Club's Constitution provides that the number of member entitlements in the Club is 2,600 but the Club may from time to time register a decrease or an increase in entitlements. An entitlement in the Club entitles a member to occupy an apartment at the Resort and to use the common facilities of the Resort.
- 34 To the best of the Club's knowledge, despite clause 5.1 of the Club's Constitution, the number of member entitlements in the Club is less than 2,600 and there are currently 1,974 member entitlements. This is because when the Resort was first established it comprised of 51 cabins representing 2,600 entitlements. However the Resort was subsequently demolished and rebuilt in six stages between December 1997 and September 2004, and reconstructed to only 1,974 entitlements and therefore the Club only has 1,974 member entitlements and not 2,600 as provided under the Constitution.
- 35 The Club has a member register which records the details of the members, so far as they are presently known to the Club. A copy of the Club's member register as at 3 September 2024 is set out at Attachment 8.

- 36 Beneficium [Int] Pty Ltd ACN 053 220 269 (Beneficium) currently manages the Resort pursuant to a management agreement with the Club. Beneficium holds the Club's records and is responsible for updating those records, including the member register.

Lease over the Land

- 37 The Club is the lessee of the registered lease J48949 over the Land (the Lease). A copy of the Lease is set out in Attachment 9.

Reason for the application

- 38 The Resort contains 36 cottages, 5 cabins and a manager's residence, plus swimming pool, children's playground, spa, sauna, games room, squash and tennis courts, mini golf and water sports. The timeshare entitlements held by members correspond to the 36 cottages, which equate to 1,872 entitlements (being 36 cottages multiplied 52 weekly entitlements), with the remaining 102 entitlements corresponding to the 5 cabins. The remaining accommodation relating to the 5 cabins (notionally 158 weeks of accommodation) is available for rental by members and the public. The 1,872 entitlements corresponding to the 36 cottages and the 102 entitlements corresponding to the 5 cabins reflect the total of 1,974 member entitlements in the Club (referred to in paragraph 34).
- 39 Before proposing resolutions to the effect made at the July EGM, the Club's Board of Directors came to the view that the Resort is becoming uneconomic to operate under the current timeshare scheme and that it is in the best interests of the Club and its members for the Land to be sold and the Club to be wound up.
- 40 In forming that view, the Club's Board of Directors took into account the following matters:
- (a) the Resort facilities require substantial investment in order for the Land to be an attractive destination and economically suitable;
 - (b) a number of the members are approaching, or are in, retirement and are increasingly unable to afford the financial burden of the levies. This will likely increase the prevalence of defaulting members;
 - (c) to the extent the memberships in the Club and the Land are transmitted via inheritance, the new members may not be inclined to use the Resort facilities or pay the levies, especially if they have little or no connection to the Resort;
 - (d) the high prevalence of unpaid levies by members of the Club and the difficulty and expense involved to recover unpaid levies or commence proceedings against those members of the Club for the redelivery of the timeshare folios against defaulting members; and
 - (e) there are very limited options for members to exit the Club, as there is little or no secondary market for timeshare interests in the Club, and concerns of members about the ability to realise their timeshare interests.

Selling the Land

- 41 The proposal to sell the Land and wind up the Club was put forward to the members at the July EGM. A copy of the Notice of Extraordinary General Meeting issued to members prior to the meeting is set out in Attachment 10.
- 42 At the July EGM, there were 39 members in attendance representing 103 memberships in the Club, and 131 valid proxies were received representing 402 members which were represented by proxy, resulting in 170 members representing 505 memberships represented in person or by proxy.
- 43 The 7 resolutions proposed in the Notice of Extraordinary General Meeting were passed by an overwhelming majority of the members voting by poll. A copy of the relevant minutes of meeting which evidences that each resolution was passed with at least 93% of votes cast being in favour of the resolution is set out in Attachment 11.
- 44 The Club notified the outcome of the resolutions passed at the July EGM following that meeting. The Club has not received notice of any intention to oppose the orders now sought by this Application.

Value of site

- 45 There is no current formal valuation of the Land. The Club's Board of Directors did not want to unnecessarily incur the costs of a valuation if the resolutions were not passed by the Club's members at the July EGM.
- 46 If VCAT makes the orders sought by the Club, the Trustee has indicated an intention to obtain a formal valuation of the Land upon commencement of the marketing and sale of the Land.

Surrender or termination of the Lease

- 47 As a matter of practicality, the sale of the Land will require the Lease to be mutually surrendered or terminated by the co-owners as lessors and the Club as lessee or transferred by the Club as lessee to the purchaser of the Land.
- 48 Clause 28 of the Club's Constitution prevents the Board from assigning, transferring or parting possession with the Lease without the special resolution of members of the Club. At the July EGM, the members of the Club passed a special resolution (Resolution 5) authorising the Club to surrender or terminate the Lease on a date and terms and conditions determined by the Club's Board, subject to a contract for the sale of the Land being entered into prior to the surrender or termination, and a special resolution (Resolution 6) authorising the Club to anything reasonably necessary to carry out the proposal to wind up the Club and sell the Land. The Club intends to rely upon the powers conferred by the members in Resolutions 5 and 6 to surrender or terminate its interest in the Lease on or prior to completion of any sale of the Land or to assign its interest in the Lease to a purchaser of the Land.
- 49 Accordingly, the Club seeks an order pursuant to section 228(1) and 232 of the PLA, that the Trustee has the power to execute a surrender or termination of the Lease, as lessors, if, as and when it considers appropriate for the purposes of or related to the sale of Land pursuant to section 228(2) of the PLA.

Distribution of sale proceeds

- 50 As previously noted, members are required to pay an annual levy. Some of the Club's members are in default of paying their annual levies. Although some outstanding levies, which are unlikely

to be recovered, have been written-off for accounting purposes and are not included as a receivable in the Club's accounts, they remain debts owed by the defaulting members to the Club.

- 51 Accordingly, the Club seeks an order pursuant to sections 28A and 233(1) of the PLA that each co-owner of the Land is to pay to the Club, from the share of the net proceeds which the co-owner would otherwise be entitled to receive pursuant to paragraph 52 below, any amount which the applicant or respondent owes to the Club under clause 8.9 of the Club's Constitution as at the date of distribution of any sale of the Land by the Trustee.
- 52 The Club seeks an order that the Trustee stands possessed of the net proceeds of any sale of the land after payment of all costs and expenses and net income after payment of all outgoings, and thereafter, subject to paragraphs 52(a) to 52(b), for distribution to each co-owner in the same shares as each fractional interest they each hold in the Land less any amount which the Trustee is notified by the Club is owed by any co-owner to the Club, pursuant to paragraph 51, as at the date of distribution:
- (a) in relation to the 532/5,200 fractional interest in the Land registered in the name of Club, the Club seeks an order that the Club only receive from the proceeds from any sale of the Land in respect of 506/5,200 fractional interests; and
 - (b) in relation to the:
 - (i) 8/5,200 fractional interests in the Land registered in the name of Ambar Investments Pty Ltd ACN 006 122 756 under title reference 9819/904;
 - (ii) 24/5,200 fractional interests in the Land registered in the name of Bar-Ray Holdings Co. Pty Ltd ACN 005 418 477, under title references 9872/183, 9872/184, 9872/185, 9872/186, 9872/187 and 9872/188;
 - (iii) 8/5,200 fractional interests in the Land registered in the name of By-Way Automotive Services Pty Ltd ACN 005 872 024 under title reference 9552/529;
 - (iv) 4/5,200 fractional interests in the Land registered in the name of I.W. & J.B. Gray Pty. Ltd (formerly Cedar Measuring Service Proprietary Limited) ACN 005 514 287 under title reference 9511/913;
 - (v) 4/5,200 fractional interests in the Land registered in the name of Fehmarn Pty Limited ACN 005 705 635 under title reference 10386/109;
 - (vi) 4/5,200 fractional interests in the Land registered in the name of Fortieth Celebration Pty Ltd ACN 006 033 405 under title reference 9658/407;
 - (vii) 4/5,200 fractional interests in the Land registered in the name of G.F.L Investments Pty. Limited (formerly H.H.K. Industries (Vic) Pty Limited) ACN 005 377 202 under title reference 9819/889;
 - (viii) 8/5,200 fractional interests in the Land registered in the name of I.J. Crawford & Co Proprietary Limited ACN 004 591 986 under title reference 9579/591;
 - (ix) 2/5,200 fractional interests in the Land registered in the name of JDCO Investments LLC under title reference 10933/387;
 - (x) 8/5,200 fractional interests in the Land registered in the name of Jentu Investments Pty Ltd ACN 006 153 171 under title reference 10062/446;

- (xi) 8/5,200 fractional interests in the Land registered in the name of Kallestra Pty Ltd ACN 005 258 266 under title reference 9474/361;

the Club seeks an order that the proceeds from any sale of the Land in respect of that interest be paid to ASIC pursuant to section 601AD of the Corporations Act, less any amount which the Trustee is notified by the Club is owed by the relevant Deregistered Owner to the Club, pursuant to paragraph 51, as at the date of distribution.

53 Section 233(1) of the PLA provides that:

- (1) In any proceeding under this Division 2, Part IV of the PLA, VCAT may order–
 - (a) that compensation or reimbursement be paid or made by a co-owner to another co-owner or other co-owners;
 - (b) that one or more co-owners' account to the other co-owners in accordance with section 28A;
 - (c) that an adjustment be made to a co-owner's interest in the land or goods to take account of amounts payable by co-owners to each other during the period of the co-ownership.
- (2) In determining whether to make an order under subsection (1), VCAT must take into account the following:
 - (a) any amount that a co-owner has reasonably spent in improving the land or goods;
 - (b) any costs reasonably incurred by a co-owner in the maintenance or insurance of the land or goods;

- (c) the payment by a co-owner of more than that co-owner's proportionate share of rates (in the case of land), mortgage repayments, purchase money, instalments or other outgoings in respect of that land or goods for which all the co-owners are liable;
 - (d) damage caused by the unreasonable use of the land or goods by a co-owner;
 - (e) in the case of land, whether or not a co-owner who has occupied the land should pay an amount equivalent to rent to a co-owner who did not occupy the land;
 - (f) in the case of goods, whether or not a co-owner who has used the goods should pay an amount equivalent to rent to a co-owner who did not use the goods.
- 54 Members are obligated to pay levies to the Club in accordance with their obligations under the Club's Constitution. Under section 233(2)(b) and (c), VCAT can make an order that Respondents (as co-owners of Land) account to the Club (as another co-owner of the Land) and that an adjustment be made to the Respondent's entitlement to the net proceeds of any sale of the Land to take into account amounts payable by those Respondents to the Club during the period of co-ownership. Accordingly, the Club seeks an order that the Trustee has the power to retain, from the share of the net proceeds of sale otherwise payable to each Respondent, any amount which the Trustee is notified by the Club is owed by each of them as at the date of distribution.
- 55 If VCAT is unable or unwilling to make the orders sought in paragraph 54, the Club intends to make an application for an enforcement warrant (garnishee order) under Rule 71.04 of the *Magistrates' Court General Civil Procedure Rules 2020* authorising redirection from the Trustees to the Club of monies owing by defaulting members.
- 56 The Club seeks an order that pursuant to sections 28A and 233(1) of the PLA:
 - (a) the Trustee has power to retain, from the share of the net proceeds of sale otherwise payable to each of the co-owners, any amount which the Trustee is notified by the Club is owed by each of them to the Club as at the date of settlement; or
 - (b) if VCAT is unable or unwilling to make the orders sought in paragraph 56(a), the abovementioned power is given on terms that the amounts retained be retained pending receipt of an enforcement warrant authorising their redirection to the Club, or other order of the Court and that the Trustee has the power to retain, from the share of the net proceeds of sale otherwise payable to each of the Respondents, any amount which the Trustee is notified by the Club is owed by each of them to the Club as at the date of distribution in accordance with such warrant or Court order.
- 57 Given the large number of Respondents to this application, so as to reduce the administrative burden on VCAT to hear this matter, pursuant to section 100(2) of the VCAT Act, the Club seeks an order that VCAT conduct all of this application entirely on the basis of documents and without the appearance of the parties or their representatives or witnesses.
- 58 In light of the complexity of this matter and the large number of Respondents, to aid VCAT in deciding whether to make the orders sought in this application, pursuant to section 62(1)(c) of the VCAT Act, the Club seeks an order that if VCAT is unable or unwilling to make the orders sought in paragraph 57, that VCAT permit the Club's legal representatives to represent the Club in any conference, mediation or other hearing in relation to this application.

Order to dispense with certificate of title

- 59 Section 98CE(2) of the TLA provides that when a court consents to the granting of an application it may by the same or by any subsequent order require any person having the custody or control

of any certificate of title to deliver the same to the Registrar or authorise the Registrar to dispense with the production thereof.

- 60 Pursuant to section 4 of the TLA, the Registrar for the purposes of section 98CE(2) of the TLA means the Registrar of Titles under the TLA and includes any Deputy Registrar of Titles and any Assistant Registrar of Titles.
- 61 As there are 1,386 titles comprising the Land, the Club considers that it would be impractical for all co-owners of the Land to produce a certificate of title to deal with their respective interest to facilitate any sale of the Land pursuant to the orders sought in this application. As VCAT is empowered by section 228 of the PLA to make any order it thinks fit to ensure that a just and fair sale or division of land or goods occurs, the Club seeks an order that VCAT direct the Registrar of Titles to dispense with the production of certificates of title in relation to the Land and, if the orders sought in paragraph 13 of Annexure A are made, amend the Register to reflect the Trustee as the new owner of the Land (pursuant to sections 26F and 103(1AA) of the TLA) and to amalgamate all 5,200 fractional interests in the Land into a single title to facilitate the Land being sold pursuant to the orders sought in paragraph 5 of Annexure A.

Service Application

- 62 Pursuant to section 140(1) of the VCAT Act, a notice, order or other document may be served on or given to a person:
- (a) if the person is a natural person:
 - (i) by delivering it personally to the person; or
 - (ii) by sending it by post to the person at his or her usual or last known residential or business address; or
 - (iia) subject to the rules, by sending it by electronic communication to the electronic address applicable to the person under the rules; or
 - (iii) by leaving it at the person's usual or last known residential or business address with a person on the premises who is apparently at least 16 years old and apparently residing or employed there; or
 - (b) if the person is a company incorporated under the Corporations Act:
 - (i) by delivering it personally to the registered office of the company; or
 - (ii) by sending it by post to the registered office of the company; or
 - (iii) subject to the rules, by sending it by electronic communication to the electronic address applicable to the company under the rules; or
 - (iv) in any other way that service of documents may be effected on a body corporate; or
 - (c) if the person is an incorporated association within the meaning of the Associations Incorporation Reform Act 2012, in accordance with section 217 of that Act; or
 - (d) in any case:
 - (i) in a manner permitted by the rules; or

- (ii) in a manner directed by the Tribunal.
- 63 Pursuant to section 140(2A) of VCAT Act, rules for the purposes of sections 140(1)(a)(iia) and (1)(b)(iia) may only prescribe, as an electronic address that is applicable to a person or company—
- (a) an electronic address that has been provided to the Tribunal by the person or company (including by the person or company communicating with the Tribunal from that address); or
 - (b) an electronic address—
 - (i) from which the person or company has communicated with a party, or potential party, to the proceeding to which the notice, order or other document relates; and
 - (ii) that is provided to the Tribunal by that party or potential party.
- 64 Pursuant to section 140(3) of the VCAT Act, if the Tribunal directs that notice be given to a person, or a class of persons, by advertisement or publication of the notice, that advertisement or publication must be taken to be service of notice on the person, or persons in that class, as the case requires.
- 65 Pursuant to section 140(4) of the VCAT Act, despite section 8 of the *Electronic Transactions (Victoria) Act 2000* (Vic), a notice, order or other document served or given by electronic communication in accordance with this section is taken to have been served or given whether or not the person on whom it is served, or to whom it is given, consented to it being served or given by means of electronic communication.
- 66 There are a total of 927 co-owners of the Land, excluding the Club.
- 67 The Club holds an email address for 739 co-owners who are members (excluding any members who are Deregistered Owners). The primary way the Club communicates to members is by email for those 739 members for whom the Club has an email address (excluding Deregistered Owners) and by post for those 64 members for whom the Club has a postal address but no email address.
- 68 The Club holds a nominated postal address for 866 co-owners (including all Deregistered Owners, whose postal address is ASIC) and, of the remaining 61 co-owners for whom the Club does not hold a nominated postal address, the D&D Titles List received by the Club contains an address for each of these co-owners. As such, the Club holds a postal address for all co-owners (including Deregistered Owners). A list of the contact details held by the Club for all Respondents is set out in Attachment 12.
- 69 In relation to the 927 co-owners of the Land (excluding the Club):
- (a) most live in Australia;
 - (b) 115 live overseas;
 - (c) of those co-owners that live in Australia, the majority live inside of Victoria; and
 - (d) of those co-owners that live overseas, the majority live in United States of America.
- 70 The Club considers that personal service for all co-owners of the Land is impracticable given:

- (a) the large number of co-owners and their scattered locations;
- (b) the prohibitive cost involved in attempting personal service on every co-owner including those overseas, which the Club estimates to be in the tens of thousands of dollars;
- (c) attempting personal service on every co-owner is likely to take considerable time to achieve; and
- (d) the financial position of the Club and the need to progress to implement the resolutions passed at the July EGM without further delay, to minimise the expense of ongoing maintenance, in circumstances where delay will reduce the net proceeds available for distribution to co-owners.

71 The Club intends to seek an order that this application be served on the Respondents by:

- (a) where the Club holds an email address for a Respondent, emailing a copy of this application to that Respondent's email address held by the Club;
- (b) where the Club does not hold an email address for a Respondent or a Respondent has notified the Club that it can not or does not wish to receive notices from the Club via email, posting a copy of this application by ordinary prepaid post to that Respondent at the Respondent's last known street or postal address held by the Club or as provided to the Club by virtue of the D&D List; or
- (c) where the Respondent is a Deregistered Owner, by posting that a copy of this application by ordinary prepaid post to ASIC; and
- (d) causing a copy of the application to be published and maintained on:
 - (i) the notice board maintained by the Club at 50 Banumum Road, Mansfield, Victoria 3722;
 - (ii) the website maintained by the Club and the Manager at the website address <https://classicholidays.com.au/resort/mansfield-country-cabins>; and
 - (iii) causing a copy of a newspaper advertisement giving notice of the application to be published as follows:
 - (A) Armenia;
 - (B) Australia;
 - (C) Canada;
 - (D) England;
 - (E) Fiji;
 - (F) Germany;
 - (G) India;
 - (H) Malaysia;
 - (I) Netherlands;

- (J) New Zealand;
 - (K) Scotland; and
 - (L) the United States of America; and
- (e) pursuant to section 72(2)(b) of the VCAT Act, that, provided the member hearing this application is an Australian lawyer, that service of the application be dispensed with in relation to any Respondent who has not been in contact with the Club for at least 5 years and has not exercised its rights, or complied with its obligations, as a member in the alternative to the orders sought at paragraphs 71(a) to 71(d) with respect to those Respondents, as the making and hearing of the application without notice would not cause injustice.

Referral to the Supreme Court of Victoria

- 72 VCAT can refer this matter to the Supreme Court of Victoria pursuant to section 77 of the VCAT Act and section 234E of the PLA.
- 73 The Club considers that the Supreme Court of Victoria is the more appropriate forum for this application to be heard. This is primarily because:
- (a) the application concerns the complex relationship and legal rights and obligations of members of the Club and co-owners of the Land over which the Club has a Lease, as well as the rights and obligations of co-owners of the Land who are not members of the Club. Whilst the Club understands that VCAT has heard many proceedings in the past seeking the appointment of statutory trustees to Land under Part IV, Division 2 of the PLA, it is not aware that VCAT has heard an application on this scale involving over 800 Respondents;
 - (b) there may be further or other orders (in addition to those by the Club in Annexure A) which require the Supreme Court of Victoria to exercise its inherent jurisdiction as a superior court of record of general and unlimited civil jurisdiction. For that reason, the Club considers that the matter should not be referred to the County Court of Victoria;
 - (c) the Club understands that not all of the Respondents to this application reside in Victoria, and according to VCAT's website and some may need to be served with documents interstate or internationally; and
 - (d) following the sale of the Land and actions contemplated under this application being completed, the Club will need to apply to the Supreme Court of Victoria for the winding up of the Club. Accordingly, the Club considers that it is in the best interests of the Club and Respondents for this matter, including the related winding up of the Club to be heard in the one court, rather than across multiple forums.

- (1) If VCAT determines that an order should be made for the sale and division of land which is, or goods which are, the subject of an application under this Division, VCAT must make an order under section 228(2)(a) unless VCAT considers that it would be more just and fair to make an order under section 228(2)(b) or (c).
- (2) Without limiting any matter which VCAT may consider, in determining whether an order under section 228(2)(b) or (c) would be more just and fair, VCAT must take into account the following—

 - (b) the co-owner claiming an amount equivalent to rent has been excluded from occupation of the land; or

June 2023

Dear Members,

The accompanying information in this mailout includes a formal Notice of Extraordinary General Meeting.

The Meeting will be held at **10.00 AM (AEST) on Saturday, 15 July 2023** in Melbourne at the **Best Western Airport Motel and Convention Centre (33 Ardlie Street, Attwood, VIC, 3049)**.

This is an extremely important meeting, as it includes special resolutions so that members are able to vote on whether to windup the timeshare scheme and sell the property. Special resolutions require 75% of eligible voters to vote in favour for the motion to pass.

Based on your feedback to the Member Survey, distributed in June 2022, 78% of respondents **were in favour of winding up the timeshare scheme within 5 years**. It is noted that entities associated with Classic Holidays did not participate in the Member Survey.

We therefore expect that there is a strong indication that the votes will be in favour of the special resolutions. It is very important that you exercise your preference and vote accordingly.

If you intend on attending the meeting in person, please RSVP with your member number, name, and number of attendees by email to mansfield@classicholidays.com.au

Please refer to the Extraordinary General Meeting notice and the post and email facility so that you can return your vote to the Company Secretary if you do not intend on attending the meeting.

In closing, we thank Classic Holidays, Management and Resort Staff who consistently provide you and your family with wonderful holiday memories and thank you for your continued support.

Kerry O'Connor
PRESIDENT

Notice of extraordinary general meeting

Lake Eildon Country Club Limited ACN 005 642 937

Notice is given that an extraordinary general meeting of Lake Eildon Country Club Limited (**Club**) will be held at:

Location	Best Western Airport Motel and Convention Centre, 33 Ardlie Street, Attwood, VIC 3049
Date	Saturday, 15 July 2023
Time	10am

Special Business – Resolutions relating to the Proposal

The Club's board of Directors (**Board**), together with a number of concerned members of the Club (**Members**), have come to the view that it is in the best interests of the Club and its Members for the Mansfield Country Resort (**Resort**) situated at 2 Banumum Road, Mansfield, Victoria 3722 (properly described in Certificate of Title Volume 9075 Folio 447) (**Property**) to be sold and the Club to be wound up (**Proposal**).

To facilitate the Proposal, it is proposed that a number of resolutions be passed by Members as set out below (**Resolutions**).

For the purposes of this notice, the term '**Members**' refers to members of the Club who also own an interest in the Property and the term '**Co-Owners**' refers to registered holders of an ownership interest in the Property (and may or may not be a member of the Club). The Property is divided into 2,600 fractional interests (**Fractional Interests**).

There are currently 812 Members representing 1,974 Fractional Interests, comprising 692 Members owning 1,759 Fractional Interests who are financial Members as they are not in arrears in respect of any levies or other monies payable to the Club (**Financial Members**) and 120 Members owning 215 Fractional Interests who are non-financial/defaulting Members as they are in arrears in respect of levies or other monies payable to the Club (**Non-Financial Members**). The term '**Entitlement**' refers to each Member's entitlement to occupy one unit of holiday accommodation at the Resort per each Fractional Interest owned by the Member.

There are also 626 Fractional Interests owned by approximately 123 Co-Owners who are not members of the Club, including 252 Fractional Interests which are owned by the Club and 64 Fractional Interests which are owned by Beneficium (Int) Pty Ltd (the manager of the Resort). These Fractional Interests do not correspond to membership of the Club and those Co-Owners are not subject to rights and obligations of membership (such as the entitlement to occupy holiday accommodation at the Resort, pay annual levies or attend and vote at meetings of Members) in respect of those Fractional Interests.

The Explanatory Memorandum provides information in respect of the Proposal, including why the Board considers the Proposal is an appropriate course of action, and the Resolutions. The Board encourages Members to read the notice of extraordinary general meeting and explanatory memorandum in detail.

All Members of the Board are IN FAVOUR of the Proposal and recommend Members vote in favour of all Resolutions.

Resolution 1 – Amendments to Club constitution

To consider and, if in favour, pass the following Resolution as a special resolution:

1 Subject to all other Resolutions being passed, that:

(b) the Co-owner complies with any terms and conditions determined by the Members, by way of special resolution, in relation to making such application to any court, tribunal or to any competent jurisdiction.' and

(b) for the purposes of clause 5.3 and all other purposes, the Constitution be amended by inserting a new clause 6.13 after clause 6.12 as follows:

'On the winding up of the Club in accordance with clause 38.1 or otherwise pursuant to the Corporations Act, each Member will share in the distribution of proceeds from the winding up of the Club in proportion to the number of fractional interests held (whether legally and/or beneficially) by the Member bears to the number of fractional interests held (legally and/or beneficially) by all Members, as determined at the time immediately prior the sale of the Land which is required for the winding up of the Club.'

To consider and, if in favour, pass the following Resolution as a special resolution:

3 Subject to all other Resolutions being passed:

- (a) that the Club be authorised to apply to VCAT or court of competent jurisdiction seeking orders:
 - (i) for the Property to be sold and the proceeds of the sale be divided among the Co-Owners (subject to the other Resolutions herein) under section 225 of the Property Law Act; and

- (A) to direct the Registrar of Titles to dispense with the production of certifications of title in relation to the Property in accordance with section 98CE(2) of the *Transfer of Land Act 1958* (Vic) (TLA) and amend the Register with the meaning of the TLA to reflect the new owners of the Resort (being the Trustee); and
 - (B) amalgamating the titles of the Property (which may be required by the Registrar of Titles or preferred for the sale of the Property);

- (ix) which, without limiting the orders above, comprise such varied or additional orders as the Club considers to be reasonably necessary to implement the Proposal; and
- (b) the Club be authorised to apply to VCAT or such other court or tribunal of competent jurisdiction seeking:
 - (i) for a Co-Owner who has a debt to the Club, an order or enforcement warrant authorising the Trustee to pay or redirect that amount of the Co-Owner's Net Proceeds sufficient to discharge the Co-Owner's debt to the Club; and

- (ii) such other orders as the Club considers to be reasonably necessary to implement the Proposal; and
- (c) that the Club be authorised to apply to a court of competent jurisdiction to wind up the Club at a time to be determined by the Court noting that it is intended to only seek winding up after completion of the sale of the Property.

 - (a) to appoint the Club as agent of Members for the purpose of undertaking the Proposal and specifically to implement the Resolutions; and
 - (b) that the Club be authorised to do anything incidental to or reasonably necessary to carry out the Proposal including, for example, making any further applications to VCAT or court of competent jurisdiction, or appealing any decision in the Proceedings if the Board considers it appropriate to do so (after obtaining and considering legal advice).

Resolution 7 – Application of Cash Reserves

To consider and, if in favour, pass the following Resolution as an ordinary resolution:

- 7 That the Board be authorised to apply all or part of the cash component of the Club's retained earnings which are used for refurbishment and other capital replacements (Cash Reserves)) to meet fees and expenses of, or reasonably incidental to, the Proposal, including fees and expenses incurred prior to the meeting.

Note: Resolution 7 is independent of, and not conditional upon, the other Resolutions and will be put to Members even if the other Resolutions are not passed. However, Resolutions 1 to 6 are conditional upon, and subject to, each other Resolution (including Resolution 7) being passed.

If any Resolution is not passed by Members, any subsequent Resolutions will not be put to Members.

Some of the Resolutions contained in this notice refer to various VCAT and court applications being made. The description of those resolutions are not intended to limit in any way the legal or factual matters which are required to be included in making those VCAT and court applications.

The Explanatory Memorandum sets out further information in respect of the Proposal and the Resolutions. The Board encourages Members to read the Explanatory Memorandum in detail.

The Board has sought independent legal advice on the process for facilitating the sale of the Property and the winding up of the Club, and the recommended process is explained in the Explanatory Memorandum.

Explanatory memorandum

Lake Eildon Country Club Limited ACN 005 642 937

Background

Lake Eildon Country Club Limited ACN 005 642 937 (Club) is a public company limited by guarantee not having share capital.

It is also a timeshare scheme which is exempt from the licensing and managed investment scheme provisions of the *Corporations Act 2001* (Cth) (Corporations Act) pursuant to relief granted by the Australian Securities and Investments Commission (ASIC).

The Club has a lease (Lease) over the property known as the Mansfield Country Resort, situated at 2 Banumum Road, Mansfield Victoria and properly described in Certificate of Title Volume 9075 Folio 447 (Property). Ownership of the Property is divided into 2,600 tenant in common interests (Fractional Interests). Each Member of the Club (Member) is also a tenant in common owner of the Property, though there are tenant in common owners who are not Members.

There are currently 812 Members representing 1,974 Fractional Interests, comprising 692 Members owning 1,759 Fractional Interests who are financial Members as they are not in arrears in respect of any levies or other monies payable to the Club (Financial Members) and 120 Members owning 215 Fractional Interests who are non-financial/defaulting Members as they are in arrears in respect of levies or other monies payable to the Club (Non-Financial Members). The term '**Entitlement**' refers to each Member's entitlement to occupy one unit of holiday accommodation at the Resort per each Fractional Interest owned by the Member.

There are also 626 Fractional Interests owned by approximately 123 Co-Owners who are not members of the Club, including 252 Fractional Interests which are owned by the Club and 64 Fractional Interests which are owned by Beneficium (Int) Pty Ltd (the manager of the Resort). These Fractional Interests do not correspond to membership of the Club and those Co-Owners are not subject to rights and obligations of membership (such as the entitlement to occupy holiday accommodation at the Resort, pay annual levies or attend and vote at meetings of Members) in respect of those Fractional Interests.

Each Member has, for each Fractional Interest owned, an entitlement to use and occupy the Property for one 'Vacation Week' (subject to the provisions of the Constitution).

The Club's board of Directors (Board) has come to the view that it is in the best interests of the Club and its Members for the Property to be sold and the Club to be wound up (Proposal).

In forming their view, the Board has considered the following matters:

- (a) the Resort complex was built in the early 1980s and is now over 40 years old. The Resort facilities require substantial investment in order for the Property to be an attractive destination and economically suitable;
- (b) a number of Members are approaching, or are in, retirement and the Board understands Members are increasingly unable to afford the financial burden of the levies which will also increase the prevalence of Non-Financial Members moving forward;

- (c) to the extent the Entitlements in the Club and interests in the Property are transmitted via inheritance, the new Members may not be inclined to use the Resort facilities or pay the levies, especially if they have little or no connection to the Resort;
- (d) the high prevalence of unpaid levies by Members and the difficulty and expense involved in recovery of unpaid levies or proceedings for the redelivery of the timeshare folios against Non-Financial Members; and
- (e) limitations on exit opportunities for Members and concerns of Members about the ability to realise their timeshare interests.

The Board has unanimously agreed to call an extraordinary general meeting based on the above matters and the steps involved in implementing the Proposal, selling the Property and winding up the Club are summarised below followed by an explanation of the Resolutions.

The 'Questions and answers' section provides further information on the Proposal, including about the operation of the Club and Members' use of the accommodation during the sale process.

Summary of process

The structure of the timeshare scheme, with Members being members in the Club and holding a tenant-in-common interest in the Property, makes the termination of the scheme a complex process as the Property must be sold and the Club wound up separately. This is exacerbated with the Property comprising 2,600 tenant-in-common interests.

The key steps of the process required to facilitate the winding up of the Club and sale of the Property are summarised below. A number of the steps require Member approval and are reflected in the Resolutions. An explanation of each Resolution follows this section.

Step	Item	Comment
1.	The Constitution is amended to facilitate the Proposal and allow the Club to distribute the proceeds from the sale of the winding up of the Club in proportion to the Entitlements held by Members.	<p>The Constitution currently prohibits a Member making an application to Court to appoint a trustee for sale of the Property. Resolution 1 seeks to amend the Constitution to modify this restriction to enable Members to apply to Court for the appointment of trustee(s) in order to facilitate the Proposal.</p> <p>Under the Constitution, upon completion of the winding up of the Club, any residual proceeds will be shared equally among the Members, regardless of the number of Fractional Interests or Entitlements held by the Member. The Board considers that this is not an equitable way to distribute the proceeds from the sale, as it means that Members who have paid for and own multiple Fractional Interests (and have paid levies for each Entitlement held) and made a greater financial contribution to the Club's ongoing costs will receive the same distribution as a Member who, for example, owns a single Fractional Interest and has a single Entitlement (and has only paid annual levies for one Entitlement for the duration of their membership in the Club). The Board therefore proposes for Members to amend the Constitution (also under Resolution 1) to insert a new clause 6.13 so that the net proceeds will be distributed to Members</p>

Step	Item	Comment
		<p>proportionately based on the number of Fractional Interests held by them.</p> <p>Clause 5.3 of the Constitution provides that the rights attaching to any class of membership may only be varied by a special resolution of Members. As the proposed amendment to the Constitution to insert a new clause 6.13, which will enable Members to participate in residual proceeds on the winding up of the Club based on the number of Fractional Interests held, will vary the rights attaching to memberships, Resolution 1 also seeks Member approval for the purpose of clause 5.3.</p>
2.	<p>The Club, as a Co-Owner of the Property, apply to the Victorian Civil and Administration Tribunal (VCAT) under section 225 of the <i>Property Law Act 1958</i> (Vic) (Property Law Act) and section 72 or 140 of the <i>Victorian Civil and Administrative Tribunal Act 1958</i> (Vic) (VCAT Act) seeking orders for the (among other things) appointment of the Trustee, the sale of the co-owned Property and application of sale proceeds.</p>	<p>Typically, the sale of a property requires each owner to sign a transfer form in order for a purchaser to buy the whole property. Practically, this is impossible to achieve for the Property, particularly given the vast number of Co-Owners who own a tenant-in-common interest in the Property, some of whom are Non-Financial Members and/or people or entities which the Club is unable to locate.</p> <p>The Property Law Act provides a mechanism to deal with such circumstance which enables the holder of an interest in the Property (i.e. Co-Owners) to apply to VCAT for an order for the sale of land and the division of the proceeds among the co-owners, including seeking the appointment of trustee(s) to facilitate the sale of the Property on behalf of the co-owners and for the Property to vest in the trustee(s) for this purpose (Sale Application). This step is reflected in Resolutions 2 and 3. The Board has considered the requirements of the Property Law Act and understands that, following advice from its legal representatives and discussions with Simon Thorn regarding his experience in these matters, that a single trustee may be appointed to this role. If VCAT require at least two trustees to be appointed to the role, then Bradley Tonks will also be appointed.</p> <p>It is anticipated that, during the Property sale, further VCAT applications may be required or desirable to address issues which arise during the process, for example, if the Trustee consider they require VCAT approval to take particular action. For example, under section 232 of the Property Law Act VCAT may order that the Property be sold at a private sale or auction; or that the sale be at fair market price as determined by an independent valuer.</p> <p>Also, the Club will likely be required to bring certain aspects of VCAT applications to the attention of Members.</p>
3.	<p>Club apply to VCAT for orders to serve the application to appoint the Trustee by alternative means.</p>	<p>VCAT requires that the Sale Application (Step 2 above) is served on each Member of the Club that is a registered holder of a Fractional Interest in the Property, as well as, if applicable, all other Co-Owners of the Property (i.e. any Co-Owner who is no longer a member of the Club). VCAT provides that the Club can serve the Sale Application on a current Co-Owner or Member by:</p>

		<p>(a) delivering it personally, sending it by post or sending it by electronic communication;</p> <p>(b) where they are a natural person, by leaving it at the Co-Owner's or Member's usual or last known residential or business address; and</p> <p>(c) where they are a company, in any other way that services of documents may be effected on a company.</p> <p>Where there are Co-Owners or Members that cannot be served as described above, the Club can make an application (Service Application) to VACT for an order that the Club bring the Sale Application to the attention of Members/Co-Owners by other means (for example, advertising in newspapers, advertising at the Resort and posting on the Club's website) or that service may be dispensed with if to do so would not be a material injustice. There is a risk that the Service Application may not be granted.</p> <p>This step is reflected in Resolution 3.</p>
4.	VCAT appoints the Trustee of the Property under section 231 of the Property Law Act and orders that the Property vest in the Trustee to be held by them on a statutory trust for sale.	<p>Section 231 of the Property Law Act enables VCAT to appoint Trustee as trustee to sell the Property on behalf of Co-Owners, make orders directing the Registrar of Titles to dispense with production of certificates of title for the Property and amalgamate the titles of the Property, and may direct the Trustee as to the terms and conditions on which any sale is to be carried out.</p> <p>The Board does not consider it is appropriate for the Club to act as trustee as it does not have the expertise or resources to efficiently carry out this role without jeopardising the Club's day-to-day operations. Accordingly, it is proposed to appoint Simon Thorn (and Bradley Tonks if required), who are also registered liquidators and independent of the Club, as Trustee. This step is reflected in Resolution 3.</p>
5.	The Victorian Titles Office updates the title details for the Property to record that title to the Property is vested in the Trustee by VCAT order.	<p>This involves registering the order with Victorian Titles Office to vest and record title of the Property in the Trustee. As provided for in Resolution 3, the Club intends to seek an order from VCAT to direct the Register to dispense with production of certificates of title for the Property and to amalgamate the titles of the Property into one title (which is preferable for the sale of the Resort and may be required by the Titles Office). If such order is not able to be obtained, the Club understands that the proposed Trustee intend to request that the Titles Office amalgamate the Resort titles once they are appointed.</p> <p>In any event, the Trustee will need to liaise with the Titles Office to facilitate an update to the Property's records and meet any requirements imposed by the Titles Office in this regard (including amalgamating the titles of the Property).</p> <p>This step is also reflected in Resolution 3.</p>
6.	At an appropriate time after the Property is vested in the name of	The Board expects the agent will recommend a strategy designed to achieve an appropriate sale price for the

Property, including advising on and undertaking the marketing campaign, identifying and targeting potential purchasers and recommending the sales methodology (i.e. auction, invitation for tenders, private sale, etc.). Prior to appointing an agent, the Trustee may consider it necessary or appropriate to obtain advice from town planners or other consultants.
7.	The Property and the assets of the Club will be independently valued.	The Trustee will obtain an independent valuation of the Property, and the Club will obtain an independent valuation of the Resort Assets, to assist determining the price at which the Property and Club assets will be sold and in evaluating any offers received for the purchase of the Property and Club Assets.
8.	If there is a purchaser for the Property at a price and on conditions acceptable to the Trustee, the Trustee will enter into a sale contract with the purchaser.	<p>The sale contract may be conditional upon various matters, for example termination or surrender of the Lease to the Club, assignment of the occupational licence with the Goulburn-Murray Rural Water Corporation (Lake Access Licence) and another other contracts in relation to the Resort, due diligence, finance and potentially other matters common to property transactions of this type or considered by the Trustee to be appropriate in this instance.</p> <p>In conjunction with the sale of the Property, the Club needs to realise the assets owned by the Club (Resort Assets), such as furniture, crockery, linen and equipment. The Club will look to sell the Resort Assets and considers the likely purchaser of the Resort Assets will be the purchaser of the Property or their associate. In such case, it is expected the Club will enter into a contract for the sale of the Resort Assets with the purchaser of the Property (or their associates) with settlement of each contract to be conditional upon settlement of the other contract, with settlement of both contracts to occur at the same time. Alternatively, the Trustee and Club may jointly enter into one contract with a purchaser for the sale of both the Property and Resort Assets.</p> <p>If the Property purchaser does not wish to purchase some or all of the Resort Assets, the Board will seek other purchasers for the Resort Assets (for example, by appointing an auction house to sell the Resort Assets) and may donate to charity or dispose of Resort Assets which are unable to be sold in order for the Trustee to provide the purchase of the Property with vacant possession.</p> <p>The Constitution does not require Member approval for the Club to sell Resort Assets. Therefore, no resolution is required to approve the sale or disposal of Club Assets.</p>
9.	In order to give vacant possession to the purchaser, the Lease will need to be surrendered or terminated.	<p>The Board intends that, upon the purchaser meeting any conditions it is required to satisfy to proceed with the purchase, the Board and the Trustee will agree to terminate or surrender the Lease to the Club.</p> <p>Clause 28 of the Constitution prevents the Board from assigning, transferring or parting possession with or</p>

		<p>otherwise encumbering the Lease without Member approval by a special resolution. To comply with clause 28, Resolution 5 seeks Member approval, via special resolution, for the Board to terminate or surrender the Lease, subject to a contract for the sale of the Property being entered into.</p> <p>Further, the Lease does not contain any express right of termination or surrender by the lessor (or the Club). That said, Club and lessor can agree to terminate or surrender the Lease (provided Members have approved the Club terminating or surrendering the Lease in accordance with clause 28 of the Constitution).</p> <p>The proposed Trustee has indicated would agree with the Club to surrender or terminate the Lease in order to facilitate the sale of the Property.</p> <p>There are likely to be taxation and/or stamp duty consequences from terminating or surrendering the Lease, and the Club and/or the Trustee may need to obtain professional advice in this regard.</p>
10.	Agreements that the Club as entered into in relation to the Resort will need to be terminated, surrendered or assigned prior to finalisation of the sale.	<p>Beneficium (Int) Pty Ltd ACN 053 220 269 (Resort Manager) currently manages the Resort. The management agreement between the Club and the Resort Manager (Management Agreement) will need to be terminated in order to wind up the Club, and it is expected that the Manager and Board will agree to terminate the agreement prior to finalisation of the sale.</p> <p>The Lake Access Licence grants the Club a licence to occupy and use the 'licensed area' (being land between the Resort and lake and part of the lake) for boat launchings and recreational activities.</p> <p>The Land Access Licence will either need to be assigned (if the purchaser of the Property wishes to have the benefit of the Lake Access Licence) or terminate or surrendered in order to wind up the Club.</p> <p>Under the terms of the Lake Access Licence, the Club has no right to terminate, surrender, assign or transfer the licence. Accordingly, it will also be necessary for the Club to obtain the Goulburn-Murray Rural Water Corporation's (Water Corporation) consent to any such course of action, and there is no guarantee or certainty the Water Corporation will provide any consent requested by the Club.</p> <p>There are other agreements associated with the Club that will need to be terminated, surrendered or assigned, to give vacant possession to a prospective purchaser or in order to wind up the Club.</p>
11.	The Property is sold by the Trustee and sales costs (including real estate agent fees and legal expenses) are paid from the sale proceeds (to the extent not paid already).	<p>It is proposed that residual Property sale proceeds (Net Proceeds) will be distributed to Co-Owners proportionately based on their Fractional Interests.</p> <p>For Co-Owners who are financial Members and are not in arrears in respect of any levies or other monies payable to</p>

12.	The Resort Assets are sold by the Club and sales costs (including legal expenses) are paid from the sale proceeds (to the extent not paid already).	<p>Net proceeds from the sale of Resort Assets will be available for distribution to Members, along with the Net Proceeds received by the Club in relation to its tenant in common interests in the Property, and amounts recovered from Defaulting Co-Owners (if any), the balance of the Cash Reserves (if any) after payment of sale costs and expenses and other payment of, or provision for, other Club costs and liabilities (Surplus Club Assets).</p> <p>As the Club is a company limited by guarantee, it cannot distribute the proceeds from the sale of Surplus Club Assets (after payment of fees and expenses) to Members by way of a dividend or capital return. Such proceeds can only be paid to Members upon the liquidation of the Club.</p> <p>Pursuant to the Constitution (as amended as proposed in Resolution 1) each Member will be entitled to participate in Surplus Club Assets upon liquidation of the Club proportionately having regard to the number of Fractional Interests held by a Member bears to the number of Fractional Interests held by all Members.</p>
13.	A liquidator is appointed pursuant to an order obtained from the Supreme Court of Victoria (Court) to undertake the winding up of the Club.	<p>The Board considers that the winding up of the Club should be achieved via a Court order, given the Court has a broad discretion to make orders in connection with a winding up.</p> <p>Accordingly, Resolution 3 seeks Member approval for the Club to make a Court application seeking an order that the</p>

The Board considers this preferable to holding a further Members' meeting after the sale of the Property and Resort Assets to consider a special resolution to wind up the Club.</p> <p>In undertaking the winding up of the Club, the Board expects the liquidator will apply any Surplus Club Assets to meet Club liabilities and the costs of winding up.</p> <p>If the Proposal is accepted, any remaining surplus will be paid to Members proportionately based on their ownership interest in the Property.</p> <p>Any surplus proceeds from the winding up of the Club will be distributed at completion of the winding up.</p> <p>The liquidator may determine (independently) whether to pursue any Defaulting Co-Owner who is a Member for repayment of any outstanding amount.</p> <p>If the Club's liabilities exceeds its assets (and there were no Surplus Club Assets), in accordance with the Constitution the liquidator may require each Member to contribute an amount of up to \$50 to the liabilities of the Club.</p>

Resolutions

Resolution 1 – Amendments of Club constitution

The current clause 37.1 of the Constitution restricts Members from applying to Court for relief under sections 221 to 234 of the (inclusive) Property Law Act, including section 225 which allows a Co-Owner to apply to the Court to sell co-owned land and section 232 which allows VCA to have the whole of a property vested in a trustee or trustees for sale. Clause 37.1 of the Constitution was intended to prevent individual Members from causing a sale of the Property in a situation where the majority of Members did not want to sell the Property.

Therefore, in order to undertake the Proposal, it is necessary to modify clause 37.1 to facilitate the Club, in its capacity as a Co-Owner of the Property, applying to Court for an order under sections 221 to 234 (inclusive) of the Property Act. This Resolution proposes to amend clause 37.1 to enable Co-Owners (including the Club) to make such Court application only with the prior approval of the Members, with some flexibility for the Board to appoint replacements if necessary.

This will ensure, in the event the Resolutions are passed but the sale of the Property is not successful, that any subsequent attempt by Members to obtain an order under sections 221 to 234 (inclusive) of the Property Law Act is undertaken only with the approval of the Members in general meeting, and Members cannot independently attempt to make such an application (which preserves the intention and effect of the current clause 37.1).

Under the Constitution, upon completion of the winding up of the Club, any residual proceeds will be shared equally among the Members, regardless of the number of Fractional Interests or Entitlements held by the Member. The Board considers that this is not an equitable way to distribute the proceeds from the sale, as it means that Members who have paid for and own multiple Fractional Interests (and have paid levies for each Entitlement held) and made a greater financial contribution to the Club's ongoing costs will receive the same distribution as a Member who, for example, owns a single Fractional Interest and has a single Entitlement (and has only paid annual levies for one Entitlement for the duration of their

membership in the Club). The Board therefore proposes for Members to amend the Constitution to insert a new clause 6.13 so that the net proceeds will be distributed to Members proportionately based on the number of Fractional Interests held by them.

Clause 5.3 of the Constitution provides that the rights attaching to any class of membership may only be varied by a special resolution of Members. As the proposed amendment to the Constitution to insert a new clause 6.13 will vary the rights attaching to memberships, Resolution 1 also seeks Member approval for the purpose of clause 5.3.

Resolution 2 – Nomination of Members to make VCAT application

The Property is divided into 2,600 tenant-in-common interests and there are approximately 934 different Co-Owners. The sale of the Property to a purchaser will generally require each Co-Owner to sign a transfer form in relation to their tenant-in-common interest or interests. The Board considers that practically it would be impossible for the Club to arrange for each Co-Owner to sign a transfer form, or for the Club to utilise powers of attorney granted by Members to sign transfer forms on behalf of Members, given:

- (a) the large number of Co-Owners;
- (b) the Club does not hold a valid power of attorney for every Member, given that the obligation under clause 36.1 of the Constitution for new Members to provide an irrevocable power of attorney in favour of the Club only came into effect on 2 December 2009 and has only applied to Members who joined the Club after that date;
- (c) there are approximately 123 Co-Owners who are not Members of the Club (for whom the Club does not hold, and will not be able to obtain, a power of attorney).

The Club considers such circumstance would be very unattractive to a potential purchaser as the purchaser would likely need to be comfortable that each purported Co-Owner had signed the transfer form or that the Club has a power of attorney to sign the transfer form on the relevant Co-Owner's behalf.

The Property Law Act provides a solution to this by allowing one or more Co-Owners to apply to VCAT to appoint a trustee or trustee (trustees) to sell a co-owned property.

The Club is a Co-Owner of the Property and it is proposed for the Club to act as Co-Owner applicant for the Sale Application.

Resolution 3 - VCAT and other court applications – appointment of trustees, distribution and ancillary orders

Sections 221 to 234 (inclusive) of the Property Law Act sets out the powers of VCAT to make orders with respect to the sale and division of property, the appointment of trustees to property for that purpose, and the making of orders in respect to the sale and distribution of proceeds.

Relevantly, section 228 of the Property Law Act enables VCAT to make any order it thinks fit to ensure that a just and fair sale or division of land or goods occurs. This includes making an order:

- (a) the sale of the land or goods and the division of the proceeds of sale among the co-owners;
- (b) the physical division of the land or goods among co-owners; or
- (c) that a combination of (a) and (b) occurs.

Section 231 of the Property Law Act enables VCAT, if it thinks that the appointment or removal of trustees is necessary or desirable, it may:

- (a) make an order for the appointment of trustees (section 231(1)(a));
- (b) in an order appointing trustees for the purpose of the sale of land or goods:
 - (i) direct the trustees as to the terms and conditions on which any sale is to be carried out; and
 - (ii) direct the distribution of any proceeds of the sale in any manner specified;
- (c) make an order providing for the remuneration of the trustees; and

The Board has come to the view that:

- (a) the Club should not be appointed as trustee as it does not have the requisite expertise or **resources to efficiently and effectively carry out this role without jeopardising the Club's day-to-day operations;**
- (b) a Co-Owner would not be appropriate to be appointed as trustee because their interests may conflict with the interests of other Co-Owners;
- (c) a Director would not be appropriate to be appointed as trustee as they will also be a Co-Owner, or a representative of a Co-Owner, and be affected by the same potential conflicts of interest as other Co-Owners; and
- (d) conferring responsibility for sale and distribution of proceeds on an independent third party would avoid the Directors or any other Co-Owner being subject to direct criticism and, more importantly, potential liability if there arise any allegations of maladministration in the sale or distribution process (which, of course, the Board has no reason to expect).

The Board considers the appointment of Simon Thorn (and Bradley Tonks if required) to act as trustee to be appropriate for the following reasons:

- (a) the Board has considered the requirements of the Property Law Act and understands that, following advice from its legal representatives and discussions with Simon Thorn regarding his experience in these matters, that a single trustee may be appointed to this role. If VCAT requires at least two trustees to be appointed to the role, then Bradley Tonks will also be appointed;
- (b) as the winding up of the Club will follow sale of the Property, the Board considers that the trustee should be an individual who is a registered liquidator, as this individual can also be appointed as the liquidator of the Club and efficiencies will be achieved by the liquidator already being familiar with the structure and operation of the Club;
- (c) Simon Thorn and Bradley Tonks are both registered liquidators and registered trustees. **Simon is a Partner with PKF's Business Recovery and Insolvency Team, with over 25 years' experience in corporate and personal insolvency matters, is a member of the Australian Restructuring Insolvency & Turnaround Association, a member of Chartered Accountants Australia and a member of CPA Australia. Bradley is also a Partner with PKF's Business Recovery and Insolvency Team, with experience in corporate and personal insolvency matters, is a member of the Australian Restructuring Insolvency & Turnaround Association and a member of Chartered Accountants Australia & New Zealand.** The Board considers Simon Thorn and Bradley Tonks have the skills and experience to fulfil the role of trustee and, as registered liquidator, will be able to undertake the winding up of the Club upon completion of the sale of the Property; and

- (d) VCAT and, where applicable, other courts of competent jurisdiction are likely to be more amenable to making the required orders where a proposed trustee is independent and professionally qualified and competent to finalise the administrative responsibilities conferred on it.

Biographies of Simon Thorn and Bradley Tonks are available via the Member website, www.classicholidays.com.au, under the documents tab after logging in as a Classic Resort Owner.

In the event Simon Thorn is, or Bradley Tonks (if required) or both are, unable or unavailable to act, or are not appointed by VCAT, the Resolution seeks approval (as a fall back option) of such other suitably qualified and experienced persons selected by the Board to be appointed as trustees of the Property under section 231 of the Property Law Act.

This Resolution also seeks approval for the Club to apply to VCAT for a number of other orders to facilitate the Proposal, including that the Sale Application be served on the Members of the Club and owners of the Property by alternative means of service (including but not limited to posting the documents, advertising in newspapers, advertising at the Resort and posting on the Club's website) or that service may be dispensed with if to do so would not be a material injustice.

The Resolution also seeks approval for the Club to seek:

- (a) a Compensation Order from VCAT or court of competent jurisdiction authorising the Trustee to pay each Defaulting Co-Owner's Net Proceeds (up to the amount of their debt) to the Club sufficient to discharge that Defaulting Co-Owner's debt to the Club;
- (b) an order from VCAT that, where Co-Owners cannot be located, any amount payable to them is paid to the SRO as unclaimed (or otherwise in accordance with legal advice or the directions or order of VCAT) if it is still unclaimed after 12 months from the date the amount was to be paid to the Co-Owners;
- (c) an order from VCAT directing the Registrar of Titles to dispense with production of certificates of title for the Property and amalgamate the titles of the Property; and
- (d) such other varied or additional orders as the Club considers is reasonably necessary to implement the Proposal.

The Resolution also seeks approval for the Club to apply to the Supreme Court of Victoria to wind up the Club after the Property has been sold.

Resolution 4 – Sale of Property

This Resolution seeks Member approval for the sale of the Property, which is a key aspect of the Proposal. If the Resolutions are passed, the Sale Application successful and the Property vested in the Trustee for the purpose of sale, the Trustee will then appoint a real estate agent to facilitate the marketing and sale of the Property.

The Trustee will liaise with the appointed real estate agent to determine the sales and marketing strategy which it is considered will provide appropriate exposure of the Property to potential buyers and achieve an appropriate sale price for the Property. The Board expects any sales process will involve an extensive sales and marketing campaign as well as identifying and targeting likely potential purchasers and this process will take a considerable time.

The sale may either be undertaken by auction, invitations for tender, private sale or a combination of these methodologies as recommend by the real estate agent, depending on market conditions and responses to marketing campaigns.

The Resolution approves the Trustee determining the terms and conditions of the sale of the Property.

The Board anticipates, upon Trustee being appointed, the Trustee will engage an independent valuer to determine the market value of the Property and the Board also proposes to engage an independent valuer to determine the market value of the Resort Assets. This will assist the Trustee, real estate agent and Club to determine the sales process and assess any potential offers for the Property and Resort Assets and the Trustee and Board will seek to achieve the highest sales price which they can given the circumstances and having regard to the conditions offered by any potential purchaser.

While the Trustee is expected to manage a rigorous sale process, a sale of the Property is not guaranteed. The sales and marketing process may not yield a purchaser at a price acceptable to the Trustee, or any purchaser at all.

If the Property is not sold, the Club will not be wound up, the Lease will not be terminated, no distribution of sale proceeds will be made, levies will continue to be payable, and the Club will continue as a timeshare scheme for Members and the Board will consider other options for the future direction of the Club.

Resolution 5 – Termination or surrender Resort lease

The Lease will need to be terminated or surrendered in order for the Property to be sold unencumbered and to provide a purchaser with vacant possession. Clause 28 of the Constitution prevents the Board from assigning, transferring or parting possession with or otherwise encumbering the Lease without Member approval by a special resolution. Accordingly, the Board **wishes to obtain the Members' approval** to surrender or terminate the Lease. This Resolution proposes the Lease over the property be terminated on a date and terms and conditions determined by the Board, subject to the contract for the sale of the Property being entered into prior to termination.

In addition to Member approval, the Club will need to liaise with the Trustee as the Property will be vested in the Trustee and they will have power to agree to terminate or surrender the Lease on behalf of Co-Owners. The Board has had discussions with Simon Thorn (and Bradley Tonks if required), who have both indicated that they agree the sensible and prudent course of action will be to terminate or surrender the Lease after a contract for sale of the Property has been entered into and preferably after the purchaser has satisfied any of its conditions precedent (for example, due diligence and finance).

There are likely to be taxation and/or stamp duty consequences from terminating, surrendering or assigning the Lease, and the Club and/or Trustee may need to obtain professional advice prior to the sale of the Property in this regard.

Resolution 6 – General authorisations

In order to undertake the Proposal in the most cost-effective and efficient manner practicable, the Club is requesting certain authorisations to act as agent of the Members and to be authorised to do certain incidental things to finalise the Proposal. This will enable the Club to implement the Proposal in accordance with the wishes of Members (assuming the Resolutions are passed) by providing the flexibility to deal with matters which arise in implementing the Proposal and which may not have been foreseen at the time the notice of extraordinary general meeting was prepared, without needing to call and convene a further Members' meeting (and incurring the expense of doing so).

Resolution 7 – Application of Cash Reserves

The Club's retained earnings include cash reserves (Cash Reserves) which are maintained and generally applied to refurbishment and other capital replacement costs for the Club, as well as for meeting **unforeseen expenses of the Club's timeshare scheme during a calendar year**. If the Resolutions are passed and the Proposal proceeds, the Cash Reserves will not be needed for this purpose (assuming the Property sale is successful).

There will be significant costs associated with implementing the Proposal, including court and tribunal fees, legal fees, trustee fees, and real estate agent fees and expenses. Whilst some fees and expenses may be payable from sale proceeds (such as real estate agent fees), other fees and expenses will need to be paid by the Club prior to the sale, particularly given the Board anticipates VCAT approval, and property marketing and sales process, will take a considerable time. The Club will continue to collect levies until the Property is sold, though these levies will be applied, as is currently the case, in the operation and management of the Resort. Therefore, the Club is unlikely to have sufficient cash on hand to meet the fees and expenses of implementing the Proposal (until the Property is sold) unless the Cash Reserves are utilised for this purpose.

The Board considers applying the Cash Reserves towards meeting the costs of all or part of the Proposal is preferable to increasing the annual levy and this Resolution seeks Member approval to apply the Cash Reserves for this purpose.

There is a risk that if the proposed sale of the Property is unsuccessful (either due to VCAT approval not being obtained, there being no buyer for the Property or the Trustee being unable to agree to terms with a purchaser) and the Club continues to operate as a timeshare scheme, a portion of the Cash Reserves will have been used which may delay any future refurbishment or capital replacements being undertaken until the Cash Reserves are replenished via the accumulation of future retained earnings.

Resolution 7 is not conditional upon, or subject to, the other Resolutions being passed. However, Resolutions 1 to 6 are each conditional upon all other Resolutions, including Resolution 7, being passed.

This is because the Club has incurred costs and expenses in investigating the Proposal, preparing this notice of extraordinary general meeting and convening the meeting. Therefore, Resolution 7, if passed, will enable the Cash Reserves to be applied to meet these costs and expenses even if Members do not approve the Proposal.

Questions and answers

Will the Club continue to operate if the Resolutions are passed?

For a period, yes. The Club will initially continue to operate as normal, with Members being able to exercise their entitlement to book and use accommodation units at the Resort and being required to pay annual levies.

The Board currently expects that Members will cease being able to exercise their entitlement to stay at the Resort upon the Lease being terminated or surrendered. This will likely occur after a contract for sale of the Property has been entered into and the purchaser has satisfied any of its conditions precedent to sale, such as due diligence and finance. On termination of the Lease, the timesharing scheme will cease to operate, Members will be unable to use the Resort as Members and no further annual levies will be raised.

Will annual levies continue to be payable?

Annual levies will continue to be payable by 1 July each year until the Lease is terminated and timesharing arrangements cease.

Will there be a refund of annual levies if the Property is sold during a year to which the annual levies correspond?

Yes, the Board will consider a partial refund of annual levies to Members who are unable to use their accommodation entitlement for the applicable year due to the sale of the Resort.

If the Proposal is successful, Property and Resort Assets sold and Club wound up, how much will Members receive for their interests?

The amount Members will receive if the Property and Resort Assets are sold and Club wound up will depend on a number of factors which are unknown at this time and/or which are beyond the control of the Board, including:

- (a) the sale price achieved for the Property;
- (b) the sale price achieved for the sale of Resort Assets;
- (c) the costs of implementing the Proposal, such as court and tribunal fees, valuer fees, legal fees, trustee fees, liquidator fees, and real estate agent fees and expenses; and
- (d) whether a Member is a Financial Member or Defaulting Co-Owner and the number of Entitlements held by that Member.

Accordingly, the Board is unable to provide Members with an indication or estimate of the proceeds they may receive from the sale of the Property and winding up of the Club.

Will entities associated with the Resort Manager vote on the Resolutions?

Classic Clubs Limited has common shareholders and directors with, but is not a related body corporate of, the Resort Manager. Classic Clubs Limited as responsible entity of the Classic Holiday Club holds 335 Entitlements and as responsible entity of the Interchange Vacation Club holds 65 Entitlements. Classic Clubs Limited has indicated that it will not vote the 400 Entitlements it owns as a responsible entity on the Resolutions.

Timeshare Brokers Pty Ltd, an entity which has common shareholders and directors with the Resort Manager but is not a related body corporate of the Resort Manager, has 165 Entitlements and has indicated it will vote in favour of the Resolutions.

The Resort Manager is a Member and holds 6 Entitlements and has indicated it will not vote on the Resolutions.

If the Resolutions are passed, how long will the sale of the Property and winding up of the Club take?

The Board is unable to provide any definitive guidance on how long it will take to complete the sale of the Property and winding up on the Club. However, the Board expects the entire process could take up to two years. This is because there are a number of factors (including many beyond the Club's or Trustee's control) which will influence the time frame such as:

- (a) VCAT may impose requirements or obligations as a condition of granting its approval or more VCAT applications may be required than currently anticipated which will delay commencement of the property sales and marketing process;
- (b) before a marketing campaign commences, registration of the Property title into the name of the Trustee will need to be orchestrated and the Trustee may need to obtain expert town planning and other advice;
- (c) if additional Member meetings and VCAT or court applications were required (for example, to obtain approval to certain matters or directions or there were challenges to the proposed sale), this would be likely to have an adverse impact on the time frame, cost and, potentially, successful completion of the Proposal;

- (d) if there are no, or only a small number of, potential purchasers, additional marketing campaigns may need to be undertaken or alternative strategies implemented to attract a potential purchaser; and
- (e) negotiations with potential purchasers may be a protracted process or a potential purchaser may require an extended settlement time frame.

Is there a risk that, even if the Resolutions are passed, the Proposal may not be successful?

Yes. There is no guarantee there will be a purchaser for the Property or if there is a potential purchaser, the Trustee will be able to negotiate acceptable terms and conditions, including sale price, with the purchaser.

What are the key risks which may impede successful implementation of the Proposal?

Assuming the Resolutions are passed, the key risks which may result in the sale of the Property and winding up of the Club not being achieved are:

- (a) there is a successful challenge to the appointment of the Trustee and/or Proposal (despite Resolutions being approved) (although the Board is not presently aware of any likely challenge);
- (b) VCAT approval for the appointment of Trustee is not obtained; and
- (c) there is no purchaser for the Property.

Has a valuation of the Property been undertaken? Is the Board able to give an indication of the market value of the Property?

No valuation of the Property was undertaken for the purposes of the Resolutions. Further, the Board **does not consider it to be in the Club's interest to have obtained a valuation for inclusion with the notice of extraordinary general meeting or to provide an indication of value.**

This is because the Board did want to unnecessarily incur the costs of a valuation if the Resolutions are not passed, is concerned the publication of a market value figure may communicate to potential purchasers a minimum purchase price for the Property (and therefore adversely impact the ability to achieve a higher sales price for the Property), and considered it may be misleading for the Board to provide an indicative value where it does not have a reasonable basis for such amount.

Any valuation obtained by the Trustee will have to be kept confidential to avoid adverse impacts on negotiations with potential purchasers.

What will happen if the Resolutions are not passed?

If the Resolutions are not passed, the Club will continue to operate as it currently does.

What will happen if the Resolutions are passed but the Property is not sold?

If no purchaser is located for the Property (either at all or on terms which are acceptable to the Trustee), it would be expected that the Club will continue to operate as a timeshare resort and the Board will consider their options for the future operation of the Club.

If there is no interest in the Property upon completion of the marketing campaign, the Trustee will need to liaise with the real estate agent and consider whether to undertake a further campaign, to cease marketing the Property or to engage another real estate agent.

When will the Property cease to vest in the Trustee?

If the Property is sold, the Trustee's duties and their involvement will cease upon Net Proceeds being distributed to Co-Owners (or to the Club on behalf of Defaulting Co-Owners).

There is no set time frame within which the Trustee must achieve sale of the Property and this will depend on marketing conditions, the duration and success of a marketing campaign, whether any additional marketing campaign is undertaken and similar considerations. Once the Trustee is appointed, we consider it is likely the Property will be sold. However, we do not know how long the sale process will take or what sale price will be achieved.

How will the costs of the Proposal be paid?

There will be significant costs associated with the sale of the Property and winding up of the Club including:

- (a) independent valuer fees;
- (b) legal fees;
- (c) Trustee's fees and expenses;
- (d) real estate agent fees and expenses;
- (e) VCAT and court fees;
- (f) liquidator fees and expenses; and
- (g) marketing costs and expenses.

If the Resolutions are passed, it is proposed that these expenses will be paid from the Cash Reserves, from sale proceeds upon completion of the sale of the Property and of the Resort Assets. If the sale of the Property is not successful, there will still be expenses and fees payable (for example legal fees and valuation fees) and these will be paid from the Cash Reserves.

Some costs have been incurred to date, for example legal fees associated with assisting the Board to prepare the notice of extraordinary general meeting, and such costs will be paid from the **Club's cash on hand** or, if Members do not approve the Proposal but pass Resolution 7, the **Club's Cash Reserves**.

Why is this process necessary? Can the Club rely on the powers of attorney and escrow deeds provided by Members to facilitate the sale of the Property?

No. While the power of attorney would enable the Club to sign transfer forms on behalf of the small proportion of Members who have lodged powers of attorney (along with certificates of title and deeds of escrow) to facilitate the sale of their interests in the Property, the Club does not hold a power of attorney for a significant number of Members or for Co-Owners who are not Members. Additionally, the power of attorney granted by Members in accordance with the Constitution gives the Club limited authority to sell **Members' interests in the Resort only in the event that the Club determines to sell the Resort** pursuant to a meeting at which a minimum price for the sale is set (clause 36.1).

Moreover, this power of attorney does not enable the Club to receive the proceeds from sale of the Property and apply those in the winding up of the Club. Accordingly, it is necessary to implement the process described in the Proposal to achieve the sale of the Property and winding up of the Club.

Will Members still be able to exchange their accommodation entitlement for accommodation in other resorts through an exchange company?

Yes. Members will be able to utilise the services of an exchange company, such as Classic Exchange & Play, 7Across or RCI, until Members cease to have an entitlement to occupy accommodation units at the Resort (i.e. upon termination of the Lease).

If the Property and Resort Assets are sold, how will net proceeds be distributed to Members?

If the Resolutions are passed and the Trustee is successful in selling the Property, we will write to Members to obtain bank account details to facilitate the electronic transfer of a Member's share of Net Proceeds directly to their account. Members who do not provide bank account details or whose bank account details are incorrect will be sent a cheque to the current address the Club has for that Member. Therefore, if your address changes you should notify the Club of your new address.

These bank account details will also be used to facilitate the payment of a Member's share of Surplus Club Assets upon the winding up of the Club by the liquidators.

If cheques are returned, the Trustee will be required pay those monies to SOR after 12 months from the date the payment was made as unclaimed monies.

For those Co-Owners who are in default and owe money to the Club, the Board proposes that orders be obtained by the Club permitting their share of Net Proceeds be paid to the Club to offset the debt owed by them. Any balance remaining after payment of the debt will be paid by the Trustee to the Co-Owner or, if the Trustee agrees, as the Co-Owner directs.

As the Club is a company limited by guarantee, it cannot distribute the proceeds from the sale of Club assets (after payment of fees and expenses) to Members by way of a dividend or capital return. Such proceeds can only be paid to Members upon the liquidation of the Club. If the Proposal is approved by Members (and the amendment to the Constitution is passed under Resolution 1), Members will be entitled to participate in a distribution of Surplus Club Assets based on the number of Fractional Interests owned. If a Defaulting Co-Owner is a Member and still owes money to the Club after any deduction from their Net Proceeds in payment of such debt, the liquidator may determine (independently) whether to pursue such Defaulting Co-Owner for repayment of any outstanding amount.

What are the tax considerations for Members?

Members should seek their own professional tax advice based on their specific circumstances.

However, as a general position for Members who are Australian resident taxpayers, if the Member's share of Net Proceeds and Surplus Club Assets received from the sale of the Property and Club Assets and winding up of the Club are more than the membership fee that the Member initially paid for their membership in the Club and tenant-in-common interest, a capital gains tax liability may arise. Conversely, if a Member's share of Net Proceeds and Surplus Club Assets is less than the amount paid by a Member, the Member may realise a capital loss which they can offset against other capital gains they may have.

There are likely to be taxation and/or stamp duty consequences for the Club from terminating, surrendering or assigning the Lease or Lake Access Licence (as applicable), and the Club and/or Trustee may need to obtain professional advice in this regard prior to the sale of the Property.
